3-2 AND

DONE

ONE YEAR | ONE HOUSE | ONE LEGACY

INTRODUCTION: A MOMENT OF DECISION

Every house has moments that quietly shape its future. Not rushed moments, but moments of clarity; moments when God invites His people to see where they are and where He is leading them next.

Church on the Living Edge is standing in one of those moments.

This is not simply about a building. It is about positioning the house for what God desires to do through it. Scripture reminds us that freedom is never given for comfort alone, but for calling.

3-2 and DONE is our invitation to walk one year together toward freedom. Not as an end in itself, but as a beginning.

On The Journey Together,
Pastors Mario & Misty Hood

THE WHY: ALIGNMENT BEFORE ACCELERATION

Before God accelerates His people, He aligns them. Throughout Scripture, momentum follows unity. God does not rush ahead of a divided people, but He moves powerfully through a people who are ordered, attentive, and walking together in obedience.

"All the believers were together and had everything in common."

— Acts 2:44

In the early church, spiritual power flowed from shared devotion and shared responsibility. Alignment was not uniformity, but a common direction. Not everyone carried the same role, but everyone carried the same vision.

3-2 and DONE is a 12-month housewide journey, of alignment, sacrifice, and vision, beginning in January 2026 - December 31st 2026,. It is an intentional season of moving together prayerfully, faithfully, and with clarity of purpose. When the house moves together, the mission moves forward. And when the mission moves forward, acceleration follows, not by striving, but by God's grace.

THE VISION: FREEDOM THAT FORMS

We are pursuing freedom with intention. Not because debt is sinful, but because freedom is strategic. Throughout Scripture, freedom is never an end in itself; it is the condition that makes faithful obedience possible. When burdens are lifted, movement increases. When weight is removed, formation accelerates.

"The borrower is servant to the lender."

— Proverbs 22:7

This proverb is not a moral indictment but a wisdom observation. Obligation shapes capacity. Constraints slow responsiveness. And while God works powerfully in every circumstance, Scripture consistently affirms that freedom creates space for faithfulness to flourish.

A mortgage-free house moves faster and farther in forming people to encounter God, experience transformation, and elevate lives. Freedom removes friction. Formation gains speed. Ministry becomes more agile. Vision becomes more scalable. Not about arrival, but about readiness for what God is forming next.

THE WAY: SHARED RESPONSIBILITY

God often accomplishes great things through simple obedience. Rarely does Scripture describe God moving through a few heroic individuals alone. More often, He moves through a people who choose to carry responsibility together.

**"Everyone whose heart was stirred and whose spirit was willing came and brought the Lord's offering."
— Exodus 35:21**

The pathway before us is clear and attainable:
3,000 shares at \$2,000 each by New Year's Eve 2026. To be a mortgage-free house.

This vision is not built on pressure or comparison. It is built on participation. **Equal sacrifice, equal ownership.** Each household prayerfully discerning how to take part in a shared journey.

When responsibility is shared, momentum multiplies.
When the house moves together, the mission moves forward.

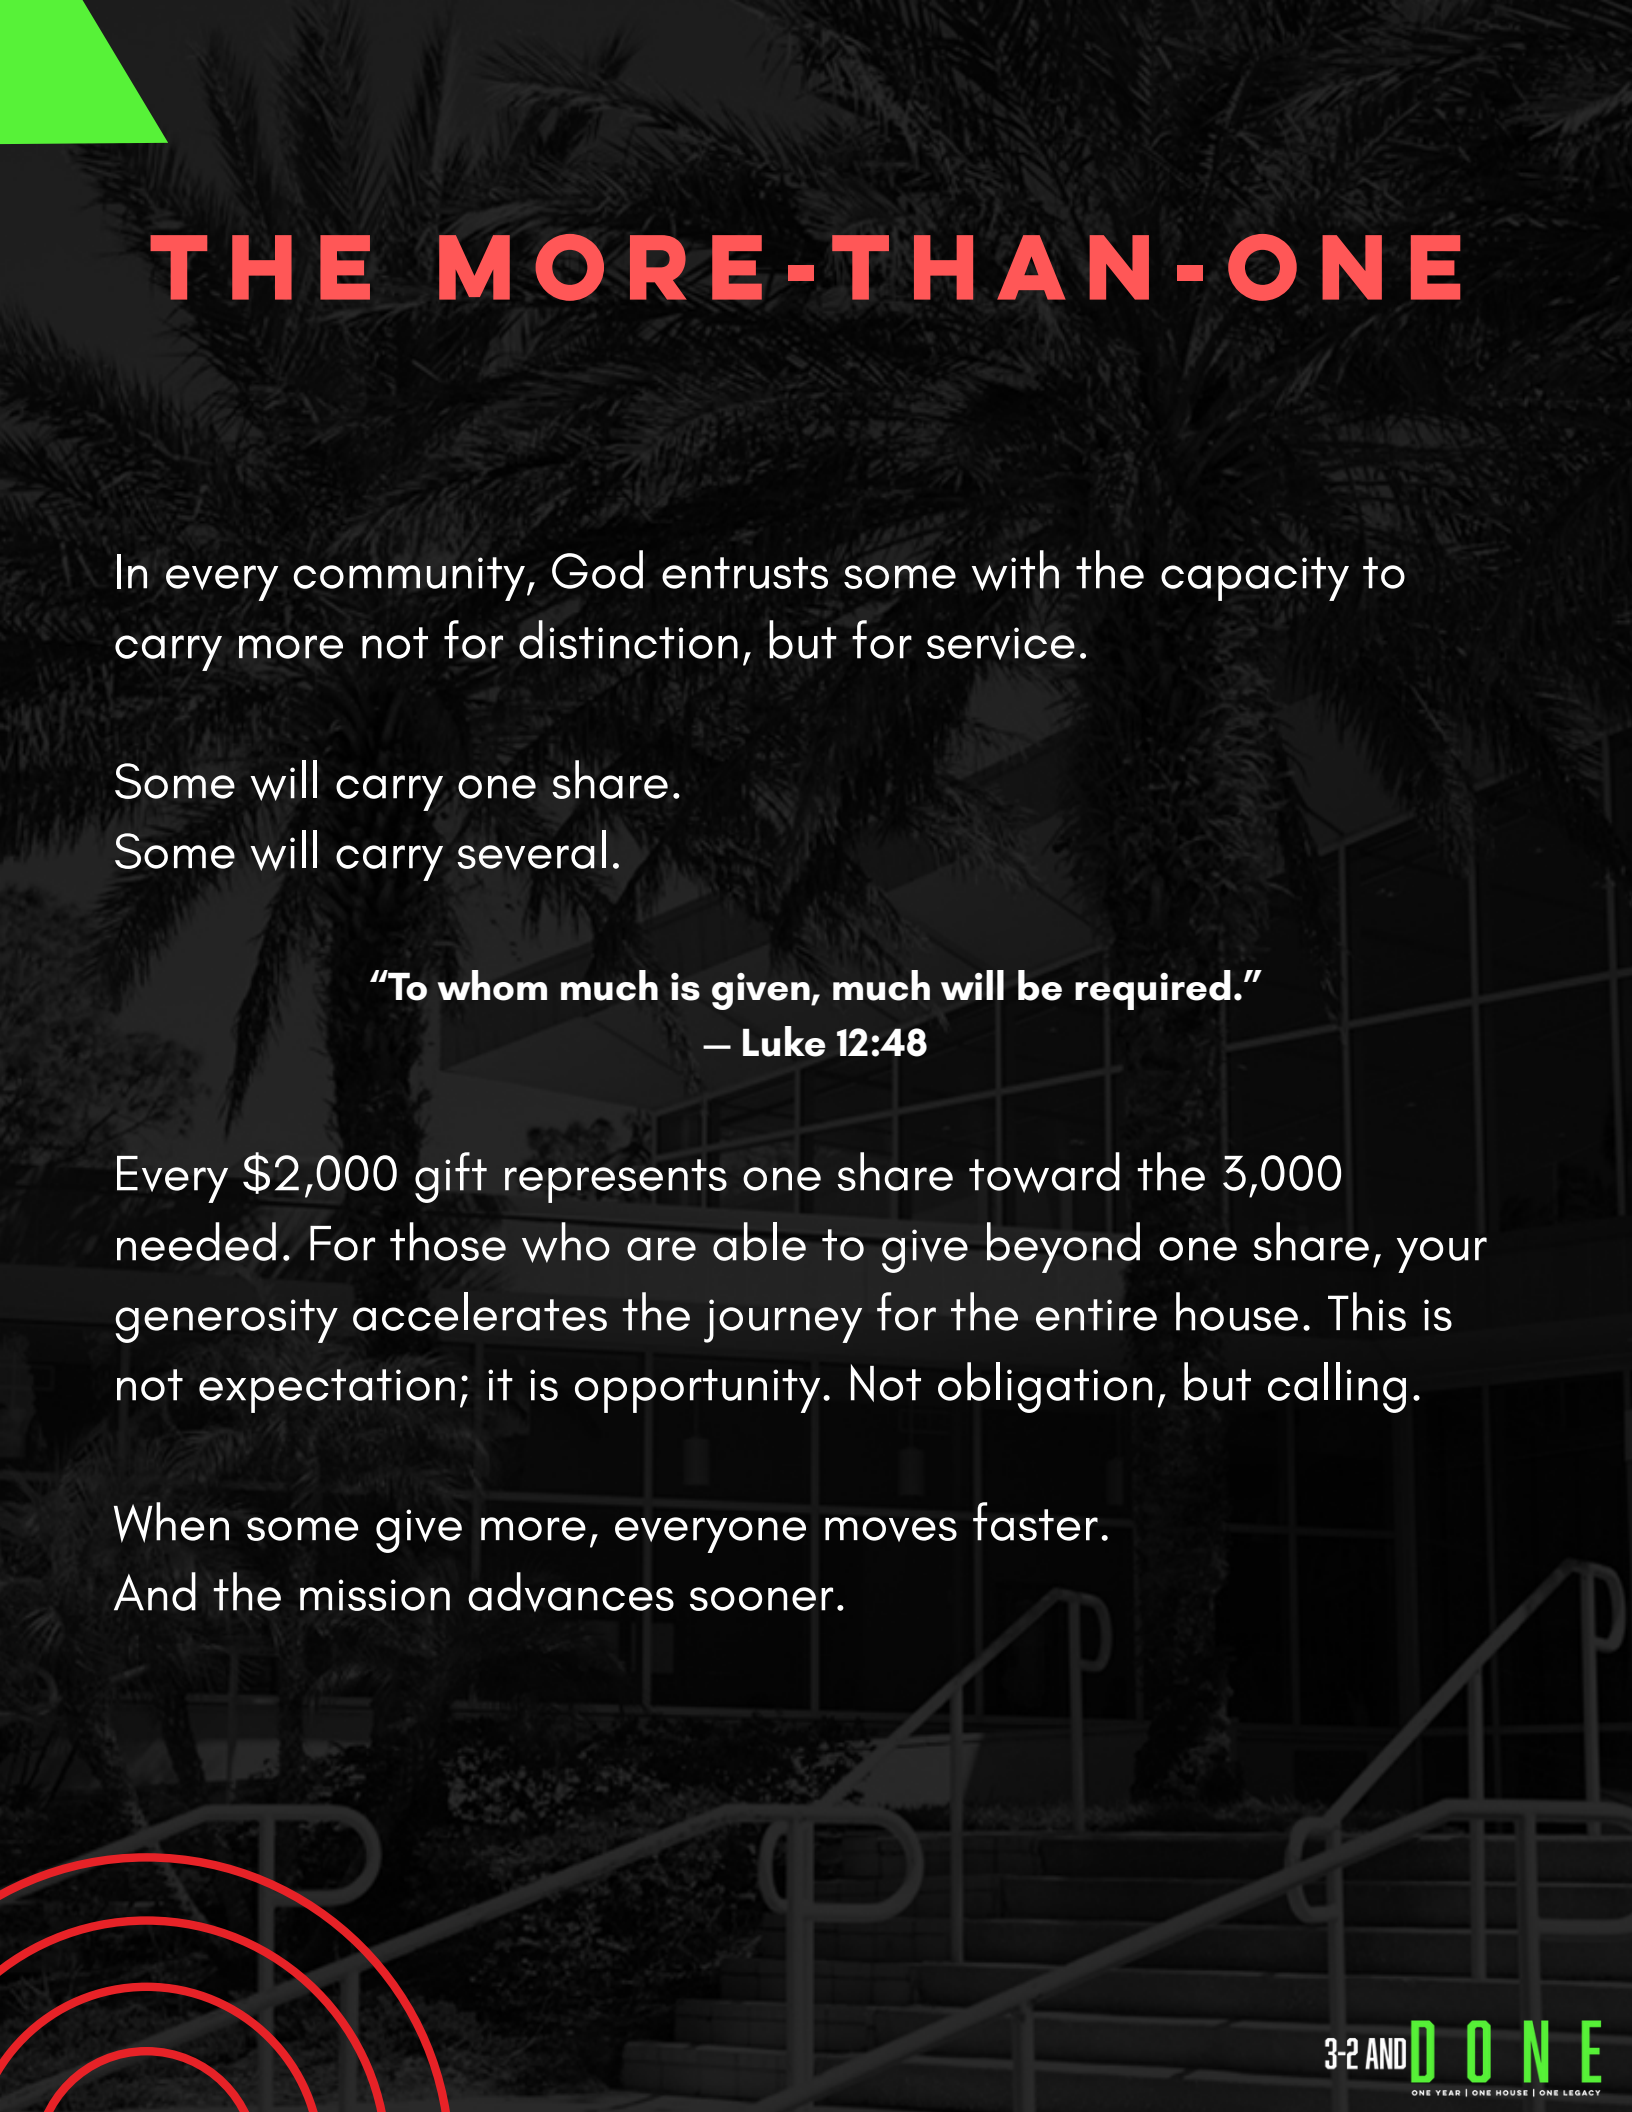

THE PATHWAYS

Because faithfulness looks different in different seasons, this journey includes multiple pathways for participation. Some will give all at once. Others will give steadily over time. Some will save intentionally, day by day.

- One-time gifts.
- Monthly giving.
- Biweekly giving.
- Weekly giving.
- Daily set-aside practices.

Different rhythms. One mission.

These pathways honor the truth that generosity is not a moment but a practice. Faithfulness over time shapes capacity, deepens trust, and forms a people who know how to steward both little and much.

THE MORE-THAN-ONE

In every community, God entrusts some with the capacity to carry more not for distinction, but for service.

Some will carry one share.

Some will carry several.

"To whom much is given, much will be required."

— Luke 12:48

Every \$2,000 gift represents one share toward the 3,000 needed. For those who are able to give beyond one share, your generosity accelerates the journey for the entire house. This is not expectation; it is opportunity. Not obligation, but calling.

When some give more, everyone moves faster.

And the mission advances sooner.

FAITHFUL IN THE DOING MOVING TOWARD THE DONE

This journey is not about replacing what God has already established in our house, but about strengthening it. **3-2 & DONE** is an intentional commitment that **flows alongside our regular tithes and offerings, not instead of them.**

Faithfulness is not proven only in what we begin, but in what we sustain. We believe God is calling us to be **steady in the doing while trusting Him for the completion.** This season asks us to remain consistent, generous, and aligned – day by day, month by month – until the work is finished.

Scripture reminds us that when **God's people move together in faithfulness**, completion often comes sooner than expected. Like Nehemiah's wall – finished in a fraction of the time anyone imagined – **God has a way of accelerating what is aligned with His purposes.**

As we continue to worship, give, serve, and steward well, we trust that God will bring the work to completion, sometimes faster than we think, always in ways that reveal His faithfulness.

ONE HOUSE. ONE LEGACY.

ONE HOUSE. ONE LEGACY.

This is not an individual effort. It is a housewide movement.

A shared yes.

A shared sacrifice.

A shared future.

“Unless the Lord builds the house, the builders labor in vain.”

— Psalm 127:1

We are not building alone. We are responding to what God is already doing among us. What we steward together now will shape what is possible for generations to come, for those who will encounter God, experience transformation, and have their lives elevated because this house chose faithfulness.

Faithful in the doing.

Moving toward the done.

PARTNERS IN THE MISSION

While this journey belongs first to our house, we recognize that God often advances His work through partnership across the body of Christ. Throughout Scripture, churches and leaders stood together to strengthen what God was building in specific places for broader kingdom impact.

“So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith.”

— Galatians 6:10

We are grateful that this vision has already resonated beyond Church on the Living Edge. Fellow pastors and ministry leaders have expressed a desire to stand with us, not simply to support a building, but to invest in a house committed to forming lives, stewarding resources faithfully, and serving the region with clarity and conviction.

This serves as an open invitation to partner churches and ministries who believe in what God is shaping here. Your generosity does not replace the faithfulness of this house; it strengthens it. Together, we bear witness to the truth that the Kingdom of God advances best when churches stand shoulder to shoulder.

If you sense alignment with this vision, we invite you to prayerfully consider joining us as partners in this journey toward freedom, formation, and legacy.
